

BHARAT LEGAL CONCLAVE & NATIONAL LEGAL EXCELLENCE AWARDS 2023

Forums are not merely a place to share varied ideas but a powerful collective from which to project a meaningful discourse. Thus, it was indeed my humble privilege to participate in one such fora; the Bharat Legal Conclave and the National Legal Excellence Awards 2023, organised by @ASSOCHAM4India and the Department of Legal Affairs, Ministry of Law & Justice, Govt. of India.

I had the privilege of engaging in impactful debates, forging meaningful connections, and interacting with some truly shining stars disrupting our field in more ways than one.
