# “The road to success must be paved by a certain sense of responsibility and sustainability”

## - Akshat Khetan

**A**U Corporate Advisory & Legal Services (AUCL), Mumbai is a leader in providing corporate strategies, financial advisory, debt syndication & litigation services.

Under the astute leadership of Akshat Khetan, a highly distinguished corporate & legal advisor, AUCL, has gained recognition for its customer-centric approach and commitment to value creation. AUCL assists its clients in navigating complex challenges by providing practical and innovative solutions, making it a trusted partner for corporations seeking comprehensive support which they expect from a multi-disciplinary law, finance and corporate strategy building firm.

Khetan's distinguished career is marked by innumerable achievements and accolades, highlighting his expertise in managing intricate financial and legal matters. With extensive experience in corporate debt insolvency, corporate governance, intellectual property rights, he is widely regarded as one of India's most prominent and versatile legal advisors.

Akshat's, holistic approach employs a 360-degree thought process, allowing him to gain profound insights into diverse challenges. He firmly believes that every challenge can be approached from multiple perspectives and requires tailored strategies. By adhering to his operational tenet of value creation, Khetan has facilitated successful turnarounds for numerous clients across India.

AUCL stands out in the industry through its unique service offerings, including regulatory compliance, policy development and implementation, as well as matters related to share capital and other distributions. The team at AUCL consists of certified financial planners, wealth managers, investment advisors, certified public accountants, etc. They specialise in structured M&A and capital markets. AU Corporate has a track record of working with firms in various industries and banks to provide solutions to problems that are multifaceted and

complex.

Throughout his journey, Khetan has encountered and overcome numerous challenges, guided by his steadfast belief in persisting until goals are achieved. He strongly believes in saying, “Jab tak jeevan hai tab tak sangharsh hai” (As long as there is life, there is struggle), reflects his unwavering determination in personal and professional growth.

Khetan advocates for change in the industry, emphasizing the need for a clear pathway to resolve cases and promoting an entrepreneurial mindset among young professionals. He also recommends unification by establishing a framework to manage digital competition and bringing fuel and energy costs under the ambit of Goods and Services Tax (GST), while abolishing state-level taxes.

AUCL aims to strike a balance between compliance with competitiveness! They have vast experience in providing litigation and dispute resolution services in the field of Constitution, Contracts, Property and Taxation laws. The team includes legal, risk, technology and compliance professionals.

At the core of Khetan's leadership style is a focus on responsibility and sustainability. His quotes, “The road to success must be paved by a certain sense of responsibility and sustainability” and “It is imperative to encourage value creation across all levels,” exemplify his commitment to creating value for all stakeholders.

AUCL has a track record of working with firms in various industries, major corporations, emerging businesses, and banks to provide solutions to problems that are multifaceted and complex. Driven by experienced partners and a customer-centric approach, AUCL has solutions to all dynamic issues facing various sectors.

AUCL consistently delivers practical solutions to complex challenges, ensuring the success of its clients' endeavours and has embarked on a vision of creating value to its discerning customers.
